Hi, Honoka. I went to a guitar concert with my father last week. I enjoyed it very much. I said, "I want to learn how to play the guitar." My father said, "You need a lot of practice. Can you do that?" When he said that, I remembered you play the guitar. How long have you played it? I'm very interested in playing the guitar. If I start playing it, what should I do first? Please give me some advice. Eddie

Hi, Eddie. I'm glad to hear that you are interested in playing the guitar. I've played it for about three years. I think you should start by finding a good guitar school. I know a really good school in our city. It is near your house, and the teacher is very kind. The name of the school is Sunny Guitar School. Actually, I'm a student there. I think you can try a free lesson before you start. I had a lesson today and asked my teacher, Mr. Mori, about it. He said you can join my lesson next week. Why don't you come to the lesson next Thursday? Let's practice the guitar together! Honoka
